

2016/17 School Break Report

Final - schools collected as of 6/1/16

Contents

Overview

This report summarizes vacation break dates for the 2016/17 academic year for a sample of U.S. public school districts and universities. The report is designed as a forward-looking planning tool for destinations and lodging properties and has proven to be an effective resource for anticipating future leisure demand and lodging occupancy patterns. The report provides graphical and tabular summaries of the start date, winter break, midwinter break, spring break, and end dates for:

- 1,001 school districts encompassing approximately 25.1 million students, about 50 percent of the nation's 50.0 million* public school students, with locations in 50 states plus Washington D.C.
- 538 four-year universities encompassing 7.2 million students, about 69 percent of the nation's 10.9 million* four-year university students, with locations in 50 states plus Washington D.C.

Note: Preceding counts include only those schools collected and with complete 2016/17 calendars posted as of 6/1/2016.
